

# Holly's Story...

Many of you may already know Holly and Max Fritz, but for those of you who do not, we wanted to share with you why we felt compelled to hold this fundraiser. Holly recently lost her husband, Bruce, to cancer. Holly and Bruce had a beautiful son together, Max. They bought a house in Garden Oaks and this is where they have raised Max and where Holly and Max still live. Bruce had a hobby of purchasing run-down homes and then fixing them up himself to enjoy and then eventually sell. The house he and Holly bought was in serious need of repair, but being the visionary and hardworking person that he was, he saw something special about this house in Garden Oaks and the neighborhood, and bought the home with Holly. Bruce worked hard at fixing up the house, but his multiple illnesses and the birth of their son greatly slowed down the process. The house is now in many respects in a non-liveable condition. The state and condition of her home in light of wanting to provide a safe and comfortable environment for Max and herself, is veighing heavily on Holly. Holly has been a stay at home mom since Max's birth. She is an amazingly strong and optimistic person, and she has been working hard to find the means and a way to finish Bruce's vision of their home, and make it liveable for her and Max. As neighbors and friends, we feel it's a wonderful opportunity to help someone we personally know is in need. If you'd like to contribute, please join us for this wonderful event. If you cannot attend, but would like to offer a donation please feel free to contact us.

Thank you for your kindness and genoristy,

Angelica Sullivan and Suzy D'Souza
