TUESDAY NIGHT - AUGUST 3 -7:30- CIVIC CLUB MEETING

Dear Neighbors,

With 1982 already half over, it is time to look at the fall season coming up and considering homes for our Annual Home Tour in Garden Oaks. It is hard to visualize a tour scheduled for the first week end in December when the temperature outside tops 100 degrees. We hope to have a lot of homes nominated and considered for selection on this year's tour. Garden Oaks has some of the most unique redo's and add-on's because of the original sizes of the older homes. If we start planning now, it will give the home owners time to put finishing touches on any last minute projects. All of us have driven in Garden Oaks and looked at homes we wished we could see more of, --- well; now is your chance. Nominate these homes at this month's Garden Oaks Civic Club meeting. If you can't make it to the meeting and would still like to nominate a home, call me at 688-2097. A committee of Civic Club members will try to visit and select 6 homes from our community which has over 1500 homes. Letters have to be sent to prospective nominees so we would like to have all nominations in by September 1st. See you Tuesday night!

Sincerely,
William R. Bijak

Garden Club Clippings

The Garden Oaks Garden Club monthly meeting will be held August 12th in the home of Rose Fitch at 725 Garden Oaks Blvd. A short program will be given by Greg Milligan of Options. This is a great opportunity to meet some of your neighbors and find out what plants are going to survive in this area. The meeting starts at 7:30 pm.

The City of Houston Parks and Recreation Dept. started a tree registry for Houston and Harris County. If you know of an unusual tree in Garden Oaks, send your nomination to Tree Registry/Harris County; The Park People, Inc. Tree Coalition. 4800 Calhoun Rd. Houston, Texas 77004. They are looking for extremely large, unique in form or rarity, or trees of historical significance. With all of the lovely trees in this former forest, your nomination would enhance this community.

PRESIDENTIAL COMMITTEE

If you think you would like to serve on the committee to nominate next years slate of officers, please contact Bill Bijak at 688-2097. The Civic Club By Laws state that committee shall be formed in September to provide nominees for presentation in October. YARD OF THE MONTH

Helen Sherman who lives in the 700 block of 41st St. is July's Yard of the Month. A lot of hard work has gone into her plants and it looks beautiful. Section 2 of Garden Oaks should be proud and can you imagine what her water bill must be.
