Tuesday night - September 7 - 7:30 pm Civic Club

Dear Neighbors,

Well you know fall is in the air when the kids start back to school and the temperature drops to 95 degrees. This Tuesday we will have our Civic Club meeting outside in the front of the building if it is any cooler. We will form a committee out of those present to select officers for the coming year. We will also formulate plans for painting the Civic Club Building and furnish additional details about the Christmas Home Tour. When our families plan our fall schedules at home; include participation at Civic Club meetings and activities. This could just be your season for getting involved!!!

Are You a Civic Club Member?

Garden Oaks is made up of 1500 households and of that total only 105 are Civic Club members. A one year membership is only \$5.00 - a bargain for the benefits that can be appreciated. A small sampling of what is done with your money: monthly publication of the Gazette, maintenance of the Civic Club Building, purchase of HOW signs and Garden Oaks signs. We need more financial support to tackle major projects, such as the much needed renovation of our Civic Club building. Please complete the attached membership form and mail your membership today!
