GARDEN OAKS CIVIC CLUB
February
1983

MEETING :

Tuesday, February 1, 1983 7:00 p.m.

Garden Oaks Civic Bldg. 822 West 34th.

Our guest speaker will be Officer Griffin of the Houston Police Department. He will be speaking on home security and this will certainly be of interest to all of us.

P R E S I D E N T S M E S S A G E

What can you buy for \$5.00 ? You can get a very small sack of groceries, or four packs of cigarettes, or one hamburger, fries, drink, and dessert, or one ticket to a movie, or 20 games of Pac Man. NOT MUCH !!!!!!!!!!!!!!!!!!!!!!!!!!!!!

For that same \$5.00 you can get twelve interesting meetings with homemade cake or cookies, free coffee, conversations with neighbors who share your concerns and interests in our neighborhood, and the chance to participate in a chili - cook - off and home tour. Now, that's a BARGAIN !!! Your Garden Oaks Civic Club dues are still only \$5.00. No where else can you invest your money more wisely. Not only that but if your dues are paid by the March meeting you will be included on our membership list. Let your neighbors know you care.....JOIN NOW !!!! Your home is probably your largest single investment. The civic club exists to help you protect and improve your investment. We are an old and proud residential neighborhood with tremendous potential. Let's all join together to keep Garden Oaks just that. If you need any convincing just drive through the Heights. You will see beautiful old homes that are restored and right next door may be a mechanic's garage or a beer joint. They let their restrictions be broken and look at them now. We can't let that happen. But don't just pay your dues.....Come to the meetings and let us know we can count on you among the proud residents of Garden Oaks.

Your officers are elected to serve. Their names and phone numbers appear elsewhere in the Gazette. Linda Mesera is responsible for programs. Please call her if you have a special problem or project you would like to hear about. Let Terry Jeanes, Gazette editor, know any news from your sections about births, deaths, new neighbors, etc. If you don't receive the Gazette you aren't reading this, but let someone know so we can get a carrier for your area.

The two fund raising projects your officers selected are a chili cook-off in the spring, designed for family fun and participation, and a December home tour to show the rest of Houston some of our finest. The chairpersons for these events are listed and you should feel free to call them for information and especially to volunteer to help.

Although I hate to admit it, I have lived in Garden Oaks for 30 years. I am very proud of our neighborhood. I want to see us continue to improve and justify the increasing property values of our area. We can't afford to do otherwise. This is your neighborhood - where you live, play, raise children, and spend a great percentage of your time. Get involved in your civic club and have some input into what happens. It will be the best \$5.00 investment you ever make.

Sincerely,

Kay Paul

GARDEN CLUB CLIPPINGS

President : Lucan Nietman
862 - 5656

Garden club meetings are held on the second Thursday of the month. This month's meeting will be held Thursday, February 10th at the home of Barbara Smith , Vice President. Barbara's home is 420 W. 33rd. and a " surprise " guest speaker will be joining our gardeners. Membership fee for the garden club is \$5.00 per year per family. This includes all types of gardening tips, discounts at area merchants, and the friendly conversation with other Garden Oaks " GREEN - THUMBS " and even those with not so green. So Join In The Fun.....SPRING AND PLANTING are just around the corner.

The week of February 26th to March 5th the garden club will reach out even further in - to the community by placing florals in the V. A. Chapel of the V. A. Hospital.

Each of us as residents of Garden Oaks are quite proud of our neighborhood and its deed restrictions. Strict maintainance of these restrictions are essential in a city without zoning. Thanks to Glenda McKenney, president, and the other trustee officers Garden Oaks will certainly remain great.....But we need your help...

In our donations to the Board of Trustees we can build an even stronger backing to our all important deed restrictions. Send your donation today :
