MEETING: Tuesday, AUG 2, 7p.m.
Civic Club Building
822 West 34th

PRESIDENT'S MESSAGE

At the July meeting Mrs. Wetzel, Mr. Mills, and myself signed the Articles of Incorporation and they are now on their way to the state. We hope to have our charter by the next meeting. We still must apply for a seperate tax exemption, which we hope we can get soon.

We also have a volunteer now to head a clean-up committee. He is Rich Schneyer (682 - 2166). He will be making plans and letting us know what we can do to help clean up some of the areas that are a real disgrace to our neighborhood. We certainly need a clean up before the home tour in December.

I am very pleased with the response we have had for the home tour. Several homes are already definite and we appreciate these people's willingness to open their homes to their neighbors. This is not only a fund raising project for us in Garden Oaks but another excellent opportunity to let others see our fine neighborhood and its lovely homes.

We continue to add new members at each meeting and through the mail . I welcome each one and hope you will become an active participant in your club. As I look forward to seeing you at the next meeting,

Ray Paul
