restrictions, covenants, and conditions, provided, however, that no such person or corporation shall be liable except in respect to breaches committed during its, his or their ownership of said property. The Organization~~Garden Oaks Co.~~ shall have the right to enforce observance and performance of such restrictions, covenants and conditions, and in order to prevent a breach, or to enforce the observance or performance of same, shall have the right in addition to all other legal remedies, to an injunction either prohibitive or mandatory. The Board shall determine the sufficiency or insufficiency of the then-current Assessment to reasonably meet the expenses for providing services and capital improvements in the Subdivision and may, at its sole discretion and without a vote by the Members, increase the Assessment in an amount up to three percent (3%) annually. The Assessment may only be increased by more than three percent (3%) annually if such increase is approved by Owners of a majority of the Lots present, in person or by proxy, electronic ballot, or absentee ballot, at a meeting called for said purpose at which a quorum is present in person or by proxy, electronic ballot, or absentee ballot. The Assessment shall not be adjusted more than once in a calendar year nor shall any increase be construed to take effect retroactively, unless otherwise approved by Owners of a majority of the Lots subject to such Assessments present in person or by proxy, electronic ballot or absentee ballot at a meeting called for said purpose at which a quorum is present in person or by proxy, electronic ballot, or absentee ballot.

~~There is expressly reserved to the Company, only, and unto its successors and assigns, one thirty second (1/32nd) of the oil, gas and other mineral produced and saved from the property embraced in said Subdivision, payment for which shall be made as a perpetual royalty interest, free of all cost and expense. The Company, its successors or assigns, shall never be required to join in the execution of any oil, gas or mineral lease covering said property and shall not be entitled to participate in any bonuses or rentals provided for in any such lease. The purchaser, his heirs, legal representatives or assigns shall have the exclusive right to lease said land for oil, gas and mineral development, provided that any such lease hereafter executed shall nevertheless be subject to the royalty interest herein reserved. However, the reservation of mineral interest, referred to herein, is hereby made subordinate and inferior to any mortgage or lien hereafter created which is made by any governmental agency or insured by or through the Federal Housing Administration, and any renewal, rearrangement or extension thereof, and any foreclosure of said liens will operate to cancel and revoke the reservation of said mineral interest.~~

~~Maintenance Fund~~

~~A sum equivalent to Forty Cents (40¢) per lineal foot based upon the front footage of each lot shall be added to the sales price of each lot when sold, and when collected from purchasers either out of the cash consideration, or as a part of the deferred purchase consideration, shall be set aside as a maintenance fund and held by Garden Oaks Co. and used for the purposes hereinafter provided. An accounting of such funds shall be made during January of each year for the preceding year, commencing in January, 1944, and a statement of receipts and disbursements of this fund shall be posted in the office of the Company or upon~~

~~some prominent location upon the property in said Subdivision. In case such deferred payments are made in installments, the Company shall set aside a proportionate part of all installment payments received for the payment of any lot, on a pro rata basis of the cost of the lot and the amount of the maintenance fund including in the sales price of same.~~

~~The maintenance fund so created shall be used for the purpose of maintaining streets, utilities, or for the installation of same, and for such other general purposes as are considered in the interest of and for the general welfare of the property owners of said Subdivision as a whole. The maintenance fund may be used for such purposes in the discretion of the Company commencing January 1, 1943.~~

~~The Company reserves the right to transfer said fund and the administration thereof, if and when it so desires, to three (3) individuals who shall be resident property owners in said Subdivision, such persons to constitute a Board of Trustees representing all of the owners of property in said Subdivision in the administration of the maintenance fund. The trustees so appointed shall continue to act as such, subject to removal by the Company, for any act considered by it adequate, and it shall in such event have the right to appoint successor trustees for the administration of said fund. If at any time the owners of fifty one per cent (51%) of the lots in said Subdivision (one lot or himesite constituting one ownership) shall become dissatisfied with the management of this trust, they shall have the right to remove any trustee and appoint a substitute trustee, by appropriate petition bearing the signatures of the property owners so acting. The petition shall describe the property owned by each petitioner (this meaning when property is owned by man or wife that either may sign but not both). The petition shall be presented to the Board of Trustees then in office, and if such trustee or trustees, whose removal is desired, does not resign and turn over to the remaining trustees any funds in his possession, upon such request, the petitioners making such request shall have the right to resort to appropriate legal action.~~

~~The Company also reserves the right to designate and authorize the Board of Trustees, so appointed to administer the maintenance fund as above set forth, to perform all the duties imposed upon it under the heading of "Architectural Restrictions" herein, and upon making such designation in writing, the Company shall be released from any and all duties so imposed upon it. Such right may be exercised by the Company at any time it considers it to the best interest of the Subdivision to do so.~~

~~For the general benefit of Garden Oaks, Section Five: Garden Oaks, Section Four: Garden Oaks, Section Three: Garden Oaks, Section Two: and Garden Oaks, Section One, and any other sections of Garden Oaks developed in the future, the Company or the Board of Trustees that may be created are hereby given the right to consolidate the maintenance fund collected or accrued, with all maintenance funds of other section, provided such consolidated funds would more effectively operate and maintain all sections more economically than if in separate units.~~

~~If a lot is leased where improvements are to be erected thereon by or through F. H. A. Insurance Plan, the price of the lot will include the maintenance charge of Forty (40¢) Cents per front foot. Maintenance Charge to be paid by lessor in Ten (10) equal annual payments, or sooner if lessor so elects.~~

~~Easements:~~

ARTICLE IX. UPKEEP

~~Upkeep~~

The ~~Owners~~~~purchasers~~ of property in said Subdivision shall be required to keep the weeds cut on the particular property owned by each, and shall not permit the accumulation of trash, rubbish, or other unsightly obstacles on the premises, the easements, or in the alley, or in the street abutting the same. ARTICLE X. ORGANIZATION

(a) Every Owner of a Lot will, solely by virtue of ownership and without further action, be a member of Garden Oaks Maintenance Organization, Inc., a Texas non-profit corporation (the "Organization"). The Organization establishes, assesses, and collects mandatory assessments, making it subject to Chapter 209 of the Texas Property Code. The business and affairs of the Organization is managed by its Board of Directors.

(b) Each Lot is entitled to one (1) vote, regardless of the number of Owners of a Lot. Multiple Owners of any single Lot must vote in agreement (under any method they devise among themselves) but, in no case will such multiple Owners cast portions of votes. The vote attributable to any single Lot must be voted in the same manner (i.e. all Owners of the Lot for, or all Owners of the Lot against a particular issue) but, in no event can there be more than one (1) vote cast per Lot.

A Lot is entitled to two (2) votes only if all of the following conditions are satisfied: (i) applicable City of Houston subdivision ordinances would permit subdivision of the Lot by re-platting, (ii) each resulting Lot would satisfy the frontage requirements imposed herein, (iii) no Structure that is located on one resulting Lot would encroach onto the adjacent Lot or violate setback lines after subdivision (e.g., a building may not be located on the original Lot such that the lot line created by the subdivision would, with respect to existing Structures, result in an encroachment or violation of setback lines), and (iv) each resulting Lot may be conveyed to a separate Owner as a fee simple tract of land.

No Owner will have a right to vote unless (i) the Owner is shown on the membership rolls of the Organization, or (ii) the recorded deed evidencing ownership of the Lot has been delivered to the Organization.

(c) The Organization's Bylaws govern the Organization and may be amended pursuant to the Bylaws.

(d) After the effective date of this Amended and Restated Declaration, the Organization shall be renamed to the Garden Oaks Homeowners Association, Inc. which will continue with the same rights of the Organization including any new rights as may be created or designated in its Bylaws.

This Amended and Restated Declaration shall be effective as of the date of recording in the Official Public Records of Harris County, Texas. If any provision of this Declaration is found to be in conflict with the Restrictions and Amendment of Gardens Oaks, Section Five, this Amended and Restated Declaration shall control.

IN WITNESS WHEREOF, pursuant to the authority provided herein, this Amended and Restated Declaration was approved by the affirmative vote of the Owners in Garden Oaks, Section Five.
