ARTICLE II. RESTRICTIONS

(a) Except as herein noted, no Lots shall be used for anything other than single-family residential purposes. As used herein, the term "single-family residential purposes" refers to the architectural design of a Dwelling. Said Lot may contain up to a total of two (2) domiciles to include (i) a Duplex, or (ii) a single-family Dwelling and Garage apartment. Specifically prohibited, without limitation, is the use of a Lot for an apartment (excluding Garage apartments with ARC plan approval), multi-family Dwelling for more than two (2) families, or for any business, professional or other commercial activity of any type, unless such business, professional or commercial activity is unobtrusive and merely incidental to the primary use of the Lot and the Dwelling for residential purposes. An Owner may not have a Garage apartment on a Lot on which a Duplex is constructed. An Owner may not subdivide a Duplex or the Lot on which a Duplex is constructed.

(b) No trade or business may be conducted in or from any Dwelling, Structure or Lot except such use where (i) the existence or operation of the business activity is not apparent or detectable by sight, sound or smell from outside the Dwelling, Structure or Lot; (ii) the business activity conforms to all zoning requirements and other restrictive covenants applicable to the Subdivision; (iii) the business activity does not involve visitation to the

Dwelling, Structure or Lot by clients, customers, workers, employees, suppliers or other business invitees or door-to-door solicitation of residents of the Subdivision; and (iv) the business activity is consistent with the residential character of the Subdivision and does not constitute a nuisance, or a hazardous or offensive use, or threaten the security or safety of other residents of the Subdivision, as may be determined in the sound discretion of the Board. The uses set out in this section shall be referred to singularly or collectively as an "Incidental Business Use." At no time may an Incidental Business Use cause increased parking or traffic within the Subdivision such that egress or ingress is impeded. Any increased parking or traffic within the Subdivision as a result of an Incidental Business Use that impedes egress or ingress shall be deemed to be a deed restriction violation. Examples of expressly prohibited uses include, but are not limited to, a bed and breakfast, boarding house, vacation rental daily/weekly rentals of the entire Dwelling, Structure or Lot, or portions of the Dwelling, Structure or Lot, a day-care facility, home day-care facility, church, nursery, pre-school, beauty parlor, or barber shop or other similar facility. No lease or rental of a Dwelling, Structure, or Lot shall be for less than thirty (30) consecutive and guaranteed days.

(c) The Organization, for itself, its successors and assigns, makes the following reservations for business purposes in the Subdivision:

BLOCK ONE (1), Lots One (1) Two (2) and Three (3);
BLOCK TWO (2), Lots One (1) Two (2), and Three (3);
BLOCK FIVE (5), Lots Thirty-four (34), Thirty-five (35) and Thirty-six (36);

(d) Except as herein noted, no signs, billboards, posters, or advertising devices of any character shall be erected in this Subdivision without the written consent of the Organization, and such consent shall be revocable at any time. The Board has the authority to adopt a policy or guidelines regarding signs.

ARTICLE III. ARCHITECTURAL RESTRICTIONS

No Dwelling, Outbuilding, or improvements of any character shall be erected or modified, or the erection thereof begun, or changes made in the exterior thereof after construction, on any Lot, Dwelling or Outbuilding in Garden Oaks, Section One, until plans and specifications have been submitted to and approved in writing by the Architectural Review Committee of the Organization. Such submission is to include exterior design, survey and site plan, and such approval by the Organization is to be based on the following general requirements, stipulations and restrictions, together with any other requirements, stipulations, and restrictions that the Organization may deem advisable. In the event the ARC fails to approve such plans and specifications within thirty (30) days after receipt thereof, they shall be deemed to be disapproved.

(a) No Dwelling shall be erected on any Lot or homesite of less frontage than seventy-five (75) feet and no Lot shall be subdivided to be less than ten thousand (10,000) square feet. No Lot shall be subdivided to create a Lot with frontage of less than seventy-five (75) feet. No Lot shall be subdivided in a manner which will result in an Irregular Shaped Lot or Short Lot.

(b) No Duplex shall be constructed to accommodate more than two (2) families. Except as herein provided, all Lots in the Subdivision shall be known and described as single-family residential Lots, and all Lots shall have one (1) detached single-family Dwelling. A detached Garage may not be converted to a livable space without ARC plan approval. All permissible Dwellings and Outbuildings, including the Garage, on a Lot, shall be erected and maintained in compliance with all setback limitations provided herein.

(c) No Dwelling shall be moved onto any Lot without ARC plan approval.

(d) No trailer, tent, shack, or other temporary Outbuilding erected or moved on to the Lot shall at any time be used as habitable space, nor shall any residence of a temporary character be permitted.

No trailer, trailer house, or movable Structure of any kind or type, or temporary building shall be erected or maintained on any Lot except during actual construction of the Dwelling being erected thereon, and then such trailer house or temporary building must be on the Lot on which construction is in progress and not on adjoining Lots, Streets or easements, and at completion of construction, the temporary building must be removed immediately.

(e) No Garage apartment may be used for rental purposes for a period of less than thirty (30) guaranteed and consecutive days.

(f) All Dwellings shall be constructed on the Lot so as to front the Street upon which such Lot faces.

(g) Where Corner Lots are of equal or nearly equal dimensions on two Streets, or they are Irregular Shaped Lots, the Organization reserves the right to designate the direction in which such improvements shall face, and such decision shall be made with the thought in mind of the best general appearance to that immediate section. If a Corner Lot is subdivided resulting in a Lot with a rear setback which is adjacent to the side setback of the adjacent Lot, the resulting rear setback shall maintain the dimensions of the original side setback.

(h) The building lines of any Dwelling to be erected on any Lot shall be as follows:

1. The front building line shall not be nearer than fifty (50) feet to the front property line, including the gallery, terrace or porch exclusive of steps used to access the ground floor.
2. The rear building line shall not be nearer than the rear easement.
3. No fence, wall, nor any pergola or other detached Structure shall be erected or maintained on any part of any Lot forward of the front building line of said Lot except that the Organization may grant a variance for Lots along the boundary

of the Subdivision as to Lot lines shared with non-Subdivision property.

4. No detached Garage, barn, or other Outbuilding of any kind shall be erected on any Lot nearer than one hundred (100) feet to the front property line, **unless it is in the rear of the Dwelling and in compliance with the setbacks described in subsection (5).**
5. The side building lines shall not be nearer than fifteen (15) feet to either side property line in the area from the front building line (50-foot line) to the Outbuilding build line (100-foot line); or nearer than ten (10) feet to either side property line in the area from the Outbuilding build line (100-foot line) to the rear building line.
6. The right is reserved by the Organization to change these restrictions in the case of unusual or Irregular Shaped Lots, Short lots, or Lots unusual in size, where same is considered desirable for the advantage and best appearance of the immediate community.

(i) No Outbuildings shall exceed in height or number of stories (not including Attics), beyond the highest ridgeline, the Dwelling to which they are appurtenant.

(j) No building material of any kind or character shall be placed or stored upon the Lot until the Owner is ready to commence construction, and then such material shall be placed within the property lines of the Lot or parcel of land upon which the improvements are to be erected, and shall not be placed in the Street or between the pavement and property line.

(k) No stumps, trees, underbrush or any refuse of any kind nor scrap material from the improvements being erected on any Lot shall be placed on any adjoining Lots, Streets, or easements. All such material, if not disposed of immediately, must remain on the Lot on which construction work is in progress, and at the completion of such improvements, such materials must be immediately removed from the property.

(l) Any property on which a condition exists on the date this Amended and Restated Declaration is recorded in the Official Public Records of Harris County, Texas that is a violation of this Amended and Restated Declaration shall be grandfathered until and unless the condition on the property is replaced. Repairing the condition shall not require compliance so long as it simply restores the violation to the condition as it existed on the effective date of this Amended and Restated Declaration. The repair shall not enhance or extend any portion of the violation. The Board shall use sound discretion to determine whether any such repair is to such a degree which requires compliance with this Amended and Restated Declaration.

ARTICLE IV. VARIANCES

The Board, or its duly authorized representative, may authorize variances from compliance with any of the architectural provisions of this Amended and Restated Declaration, unless specifically prohibited, including restrictions upon height, size, placement of Structures, or similar restrictions, when circumstances such as topography, natural obstruction, hardship, aesthetic, or environmental considerations may require. The Board, or its duly authorized representative, shall conduct a hearing with the Lot

Owner seeking such variance and any Lot Owners adjacent or contiguous to such Lot, in order to consider any objections, concerns or comments regarding such variance, except that the decision to grant a variance is to be determined solely by the Board. Such variances must be evidenced in writing, must be approved by at least eighty percent (80%) of the Board, and shall become effective upon execution. The variance must be signed by a member of the Board and recorded in the Official Public Records of Harris County, Texas. If such variances are granted, no violation of the covenants, conditions, or restrictions contained in this Amended and Restated Declaration shall be deemed to have occurred with respect to the matter for which the variance was granted. The granting of such a variance shall not operate to waive any of the terms and provisions of this Amended and Restated Declaration for any purpose except as to the particular provision hereof covered by the variance, nor shall it affect in any way the Owner's obligation to comply with all applicable governmental laws and regulations.

No granting of a variance shall be relied on by an Owner, or any other person or entity (whether privy or party to the subject variance or not), as a precedent in requesting or assuming variance as to any other matter of potential or actual enforcement of any provision of this Amended and Restated Declaration. Action of the Board in granting or denying a variance is a decision based expressly on one unique set of circumstances and need not be duplicated for any other request by any party or the same party for any reason whatsoever.

ARTICLE V. TERM AND MODIFICATION OF RESTRICTIONS

(a) The provisions of this Amended and Restated Declaration will remain in full force and effect until January 1, 2038, and are extended automatically for successive ten (10) year periods; provided, however that the provisions of this Amended and Restated Declaration may be terminated on January 1, 2038, or on the commencement of any successive ten (10) year period by filing for record in the Official Public Records of Real Property of Harris County, Texas, an instrument in writing signed by Owners representing not less than eighty percent (80%) of the Lots in the Subdivision.

(b) Approval by the Owners of a majority (fifty percent (50%) plus one (1)) of the Lots shall be required to amend or modify this Amended and Restated Declaration. Upon approval of the Owners, as set out above of said amended declaration (as evidenced by the President's or Vice-President's signature certifying such approval) the amended declaration shall be recorded in the Official Public Records of Harris County, Texas, whereupon to the extent of any conflict with this Amended and Restated Declaration and any amendment thereto, the amendment shall control. For purposes of this Section, the approval of multiple Owners of a Lot may be reflected by the signature of any one Owner of such Lot.

Notwithstanding anything contained herein to the contrary, the Organization shall be entitled to use any combination of the following methods to obtain approval of the Owners for an amendment to this Amended and Restated Declaration:

- i. by written ballot, or electronic ballot as same may be established by the Board, that states the substance of the amendment and specifies the date by which a written or electronic ballot must be received to be counted;

- ii. at a meeting of the Members of the Organization, if written notice of the meeting stating the purpose of the meeting is delivered to the Owners of the Lots; such notice may be hand-delivered to the Owners, sent via regular mail to the Owner's last known mailing address, as reflected in the Organization's records, or via email to the Owner's email address as reflected in the Organization's records;
- iii. by door-to-door circulation of a petition by the Organization or a person authorized by the Organization; and/or by any other method permitted under this Amended and Restated Declaration or applicable law.

ARTICLE VI. RIGHT TO ENFORCE

The restrictions herein set forth shall be binding upon the Organization, its successors and assigns, and all parties claiming by, through or under it or them, and all subsequent Owners of property in said Subdivision, each of whom shall be obligated and bound to observe such restrictions, covenants, and conditions, provided, however, that no such person or corporation shall be liable except in respect to breaches committed during its, his or their ownership of said property. The violation of any such restriction, covenant or condition shall not operate to invalidate any mortgage, deed of trust, or other lien acquired and held in good faith against said property, or any part thereof, but such liens may be enforced as against any and all property covered thereby, subject nevertheless to the restrictions, covenants, and conditions herein mentioned. The Organization shall have the right to enforce observance and performance of such restrictions, covenants and conditions, and in order to prevent a breach, or to enforce the observance or performance of same, shall have the right in addition to all other legal remedies, to an injunction either prohibitive or mandatory. The Owner of any Lot or Lots affected shall have the right either to prevent a breach of any such restriction, covenant, or condition or to enforce performance of same.

ARTICLE VII. ASSESSMENTS

(a) Creation of Assessments

The Owners of any Lot, by virtue of ownership of property within the Subdivision, covenant and agree to pay to the Organization an annual assessment ("Assessment") and any applicable late fees, interest and costs as more particularly set forth in this Amended and Restated Declaration.

Each such Assessment, together with attorney's fees, late fees, interest and costs, shall be the personal obligation of the person or entity who was the Owner of the land at the time when the Assessment became due. No diminution or abatement of Assessments or set-off shall be claimed or allowed by reason of any alleged failure of the Organization or Board to take some action or perform some function required to be taken or performed by the Organization or the Board under this Amended and Restated Declaration, or for inconvenience or discomfort arising from the making of repairs or improvements which are the responsibility of the Organization. The obligation to pay Assessments is a separate covenant on the part of each Owner of a Lot.

(b) Annual Assessments

i. Purpose. Assessments levied by the Organization shall be used for any legal purpose for the benefit of the Subdivision as determined by the Board and, in particular, may, by way of example and not limitation or obligation, include operational expenses of the Organization, enforcement of deed restrictions, payment of insurance premiums, costs of collection and litigation, administrative expenses, beautification, providing security, and any other services as may be in the Subdivision's and Owners' interest and all buildings, services, improvements and facilities deemed necessary or desirable by the Board in connection with the administration, management, control or operation of the Subdivision. The Board may, in its sound discretion, give one or more of the purposes set forth herein preference over other purposes, and it is agreed that all expenses incurred and expenditures and decisions made by the Board in good faith shall be binding and conclusive on all Owners.

ii. Creation. Payment of the Assessment shall be the obligation of each Owner, subject to the provisions below, and shall be binding and enforceable as provided in this Amended and Restated Declaration.

iii. Rate. The initial Assessment established by the Organization shall not exceed EIGHTY DOLLARS AND NO/100 (\$80.00) per Lot. An Owner who formally re-plats two or more Lots into one Lot with the approval of the City of Houston Planning and Development Department shall owe one Assessment. Similarly, an Owner who subdivides a Lot shall pay one Assessment per Lot created by the subdivision of the Lot.

iv. Commencement. The initial Assessment for a Lot shall commence as soon as practical but in no event later than January 1, 2020. Assessments shall be due in advance on January 1st for the coming year and shall be delinquent if not paid in full as of January 31st of each year.

v. Proration. An Owner's initial Assessment shall be made for the balance of the calendar year as determined on a pro-rata basis and shall become due and payable on the commencement date described above. The Assessment for any year after the first year shall be due and payable on the first day of January. Any Owner who purchases a Lot or Lots after the first day of January in any year shall be personally responsible for a pro-rated Assessment amount for that year.

vi. Levying of the Assessment. The Board shall determine the sufficiency or insufficiency of the then-current Assessment to reasonably meet the expenses for providing services and capital improvements in the Subdivision and may, at its sole discretion and without a vote by the Members, increase the Assessment in an amount up to three percent (3%) annually. The Assessment may only be increased by more than three percent (3%) annually if such increase is approved by Owners of a majority of the Lots present, in person or by proxy, electronic ballot, or absentee ballot, at a meeting called for said purpose at which a quorum is present in person or by proxy, electronic ballot, or absentee ballot. The Assessment shall not be adjusted more than once in a calendar year nor shall any increase be construed to take effect retroactively, unless otherwise approved by Owners of a majority of the Lots subject to such Assessments present in person or by proxy, electronic ballot or absentee ballot at a meeting called for said purpose at which a quorum is present in person or by proxy, electronic ballot, or absentee ballot.

vii. Over-65 Exemption. Any Owner who is sixty-five (65) years old or older on the date this Amended and Restated Declaration is recorded in the Official Real Property Records of Harris County, Texas and has also received an over-65 homestead exemption on the Lot owned by the Owner in the Subdivision from the Harris County Appraisal District may apply to be exempted from payment of the Assessment for so long as the Owner continues to own the Lot ("Over-65 Exemption"). This Over-65 Exemption shall not apply to: (1) any current Owners who become sixty-five (65) years old during the ownership of their Lot after the date this Amended and Restated Declaration is recorded in the Official Real Property Records of Harris County, Texas; and (2) any new Owners who purchase a Lot in the Subdivision who are or may become sixty-five (65) years old or older after the date this Amended and Restated Declaration is recorded in the Official Real Property Records of Harris County, Texas. An Owner must apply for and receive approval in writing from the Organization for the Over-65 Exemption.

(c) Enforcement

The Organization may bring an action in law against the Owner personally obligated to pay the Assessment, late fees, interest, and costs, including attorneys' fees, incurred by the Organization in collecting same and obtain a personal judgment against the Owner. No lien is created herein to secure the payment of the Assessment.

ARTICLE VIII. EASEMENTS

It is agreed that all sales of Lots and dedication of Streets in said Subdivision shall be subject to easements over and across such portions of each Lot, as hereinafter designated, as may be deemed appropriate or necessary for the purpose of installing, using, repairing and maintaining public utilities, water, sewer lines, electric lighting and telephone poles, pipe lines, and drainage ditches or structures, and/or any equipment necessary for the performance of any public or quasi-public utility service and function, with the right of access thereto for the purpose of further construction, maintenance and repairs. Such right of access to include the right, without liability on the part of any one or all of the owners or operators of such utilities, to remove any or all obstructions on said easement right-of-way, caused by trees, brush, shrubs, either on or overhanging such right-of-way, as in their opinion may interfere with the installation or operation of their circuits, lines, pipes, or drainage ditches or structures. Such easements shall be for the general benefit of the Subdivision and the property Owners thereof and are hereby reserved and created in favor of any and all utility companies entering into and upon said property for the purposes aforesaid, with the permission of the Organization, its successors or assigns, and shall extend to only the following portions of said Subdivision:

ARTICLE IX. UPKEEP

The Owners of property in said Subdivision shall be required to keep the weeds cut on the particular property owned by each, and shall not permit the accumulation of trash, rubbish, or other unsightly obstacles on the premises, the easements, or in the alley, or in the Street abutting the same. The area in the Street between the pavement and the property line shall at all times be kept clean and free of unsightly obstacles.

ARTICLE X. ORGANIZATION

(a) Every Owner of a Lot will, solely by virtue of ownership and without further action, be a member of Garden Oaks Maintenance Organization, Inc., a Texas non-profit corporation (the "Organization"). The Organization establishes, assesses, and collects mandatory assessments, making it subject to Chapter 209 of the Texas Property Code. The business and affairs of the Organization is managed by its Board of Directors.

(b) Each Lot is entitled to one (1) vote, regardless of the number of Owners of a Lot. Multiple Owners of any single Lot must vote in agreement (under any method they devise among themselves) but, in no case will such multiple Owners cast portions of votes. The vote attributable to any single Lot must be voted in the same manner (i.e. all Owners of the Lot for, or all Owners of the Lot against a particular issue) but, in no event can there be more than one (1) vote cast per Lot.

A Lot is entitled to two (2) votes only if all of the following conditions are satisfied: (i) applicable City of Houston subdivision ordinances would permit subdivision of the Lot by re-platting, (ii) each resulting Lot would satisfy the frontage requirements imposed herein, (iii) no Structure that is located on one resulting Lot would encroach onto the adjacent Lot or violate setback lines after subdivision (e.g., a building may not be located on the original Lot such that the lot line created by the subdivision would, with respect to existing Structures, result in an encroachment or violation of setback lines), and (iv) each resulting Lot may be conveyed to a separate Owner as a fee simple tract of land.

No Owner will have a right to vote unless (i) the Owner is shown on the membership rolls of the Organization, or (ii) the recorded deed evidencing ownership of the Lot has been delivered to the Organization.

(c) The Organization's Bylaws govern the Organization and may be amended pursuant to the Bylaws.

(d) After the effective date of this Amended and Restated Declaration, the Organization shall be renamed to the Garden Oaks Homeowners Association, Inc. which will continue with the same rights of the Organization including any new rights as may be created or designated in its Bylaws.

This Amended and Restated Declaration shall be effective as of the date of recording in the Official Public Records of Harris County, Texas. If any provision of this Declaration is found to be in conflict with the Restrictions and Amendment of Gardens Oaks, Section One, this Amended and Restated Declaration shall control.

IN WITNESS WHEREOF, pursuant to the authority provided herein, this Amended and Restated Declaration was approved by the affirmative vote of the Owners in Garden Oaks, Section One.
