A Trip Down Memory Lane

The photo of Garden Oaks Theater appearing on this page was taken sometime in 1948. Most of us weren't living in Garden Oaks then, but some of us were. It is an understatement to say that Garden Oaks has changed since 1948. Would you like to read and see how much? Yes? Well, good. The October, 1993 issue of the *Gazette* will be a retrospective of Garden Oaks and will contain personal observations of many long-time residents along with photographs of Garden Oaks taken through the years. For a different perspective, newer residents will be asked to share their thoughts on why they chose to live in Garden Oaks and how they feel about their decision. Obviously, the *Gazette* cannot deliver this issue without an enormous amount of help and input from the residents of Garden Oaks. If you have anything to contribute to this issue such as photographs, personal perspectives, etc., please contact the editor.

The *Gazette* is putting together a blue ribbon committee to oversee this task to assure that Garden Oaks residents get a world class issue. If you have time, talent and/or desire to assist, please contact the editor.

Nuevo Cinema Club

Hence forth, let it be known that ALL films shown at the Garden Oaks Theater are English language on BOTH screens. Tickets are \$1.50. So let's get the Garden Oaks movie fans Friday Night at the Movies together again! Could anything be finer than a cheap flick at Houston's only surviving original vintage movie theater? Well...besides those things.

As you read these very words there is now a Garden Oaks Cinema Club being formed. All you have to do to join is go see movies at the Garden Oaks Theater. Dues will be purchasing your popcorn. (Concessions are where the theater makes any money, most of the ticket price goes to the distributor.) This club could improve the entire scene in ways that would enhance the pleasure of all patrons. The Cinema Club could have an influence on the movies that play there. By registering your requests with the management and telling them what movies you want to see, they have a better idea of what will attract an audience. There is now a clipboard at the concession stand where you can write requests. Requests should be movies you would buy a ticket at the G.O.T. to see and should still be in general release. In other words, forget movies already in video stores. The owner feels (based on ticket sales) that action/violence/horror movies attract a bigger audience than films most Garden Oaks residents would favor. Like *LAST OF THE MOHICANS* (a great movie by the way) or other more dimensional fare. *PASSENGER 57* sold two to one over *LAST OF THE MOHICANS*. The bottom line is what ultimately influences what plays (besides various movie biz cutthroat competition between theaters) and regular patrons can influence the choices. After all, Mr. Zarzana, like any businessman, wants to sell what the people will buy.

The G.O.T., the down and out and you

I have had many conversations with Mr. Zarzana owner of the G.O.T. on the possibility of allowing his theater to be used to host a series of charity events that would benefit non-profit worthy causes. He has assured me full cooperation. The large screening room holds around 760 people. We could do things like hold an auction, see a selected movie, offer live music, etc. to attract ticket buyers purchasing a tax deductible ticket/contribution to a good cause and patrons would have fun as well. Therefore, the first event will help out a women's shelter in the area to our east. We are investigating this organization's background now and will report more details next month. I am asking that all residents and interested volunteers that would enjoy organizing, directing and pulling off this citywide effort to call my recorder (697-0069) and express your interest. Sometime in April for this one.

(I)(we)(you) would throw a movie party to attract patrons/donors to buy tickets that would provide some funding to help out an organization helping vulnerable women and children that are one step from the streets and promote the theater to the City and have a generally good time doing it. Isn't having fun always an important part of being a do gooder anyway? I think so.

The second event would be a free Saturday cartoons FUN!!! day for disadvantaged youth groups and of course all Garden Oaks children. There is infinite room for lots of creative input and involvement in both projects. Some time in June for this one. Mr. Z has offered to provide some clowns to entertain the children. If you are seeking an interesting way to give your karma a boost or always wanted to help organize a special event but were afraid to ask, call and fear no more. Call my machine and tell it what you want to do. (697-0069)

The first meeting of interested volunteers will be on a Wednesday, February 10, 1993 at the G.O.T. at 7:00 pm. Go to the box office and tell them you are there for the meeting. Mr. Z has this really cool meeting room filled with photos of long gone Houston theaters. And if we hurry, we could catch the flick.

PARDON ME!!!!!!!!!!!!!!

The pardons are flying everywhere! Washington, D.C. has nothing on Garden Oaks —Richard Nixon and Cap Weinberger move over. Our very own Scott "Did He Really Say That" MacClymonds has received a PARDON from the Garden Oaks Executive Committee. The pardon was granted to our infamous former *Gazette* Editor, as the last official act of the 1992 Garden Oaks Executive Committee, and was presented to Scott by Donald Howie, our Civic Club Secretary. Scott has asked the *Gazette* to convey his heartfelt thanks and gratitude for this chance at a new start. AND for you unbelievers out there — the *Gazette* is pleased to reproduce the pardon below in its entirety. Scott, go forth and sin no more.

PARDON

Let it be known...
That as its last official act, the
1992 Executive Committee of the
Garden Oaks Civic Club hereby
grants

Scott MacClymonds

a full and complete pardon of all

Home Tour Report

The final tally for the 1992 Home Tour showed a net profit of \$6885.00. The Home Tour Committee voted unanimously to recommend at the January Civic Club meeting that the proceeds be split in two ways: 50% of the profits to the Board of Trustees for their efforts to enforce deed restrictions and 50% to a new group to be formed, Neighbors Helping Neighbors (NHN). NHN would use the funds to provide lighting, painting, and general fix-up for our neighborhood senior citizens in need of these services. Anyone interested in heading up or working on the Neighbors Helping Neighbors group should contact Dian Austin (691-6505) or Michele Markarian-Martini (699-4244).

A successful Home Tour takes the combined generosity of the homeowners who allowed us to view their homes, donations of money and services from area businesses, and the hard work and dedication of the committee members. The success of the 1992 Home Tour depended greatly on the contributions from the following persons/businesses, and we really appreciate your help!

Fiesta For G.O. C.O.P.

The Fiesta Party was a fun evening for all who came (the count was close to 85). We started with chips and red sauce, then Mexican stew, rice, and beans, and last, but not least, ice cream and cookies. The food was great and the meal was cheap (inexpensive). Sorry for those who could not make it, and thank you to those who did! We made \$220.00, less \$50.00 expense for the facilities, netting \$170.00 profit! The monies have been turned over to the Civic Club Treasurer. Special thanks to the Marek family. Kathy and Paul donated \$50.00 toward the program expenses.

And thank you very much to the Murphy family: Johnny, Cindy, Matt, and Michael for their joint effort; the Mehrkam family: Lucille, Woody, Jerry Clepper, Tom and Trish; Patsy Gantz; Bill Chastain; and Linda Ross. Linda and Trish did

the shopping at Fiesta and along with the rest of the bunch cooked, cleaned, and served.

Thank you very much to all patrollers, base station operators, and Area Leaders for the gift certificate to Pappas restaurants given in appreciation for coordinating for the past 2 years. Tom and I will enjoy a big feast on you!!!! Good luck to Bill Chastain, the new G.O. C.O.P. Coordinator! I wish you many patrollers and much participation from the neighborhood. We are with you, Bill!

It All Adds Up

The February Civic Club Meeting will be held on **February 2, 1993, at 7:00 P.M. at Garden Oaks Baptist Church on Shepherd.** The annual budget of the Civic Club will be a topic of discussion. This is an especially important meeting as the Home Tour Committee has proposed that the proceeds from the 1992 Home Tour be earmarked for the Garden Oaks Board of Trustees (for use in enforcing Deed Restrictions) and/or for a new proposed committee, Neighbors Helping Neighbors, which would assist elderly residents in Garden Oaks with the upkeep of their homes. So if you would like any input in the process, now is your chance.

Also, for those of you new to Garden Oaks or who have forgotten, the monthly Civic Club Meetings are always held on the first Tuesday of each and every month at 7:00 P.M. at Garden Oaks Baptist Church. Why not mark your calendar now for the entire year.

President's Message

One down and eleven to go! The Civic Club seems to have survived my first meeting as president, and already things are happening. At the February meeting the budget for this year will be presented and discussed. By then all the existing committees should have submitted their plans for 1993 with figures attached. At the March meeting we have arranged for G.O. C.O.P. training by the Houston Police as mentioned below. With luck, more events will transpire to keep us all busy, and make it easier for me to work up a monthly agenda.

One topic which was raised at the January meeting was the URGENT need for more volunteers for the Garden Oaks Citizens On Patrol (G.O.C.O.P.). While there was a strong initial interest when this group started, the numbers now have dwindled to a handful. G.O.C.O.P. does a lot of good for everyone in Garden Oaks, and now it needs people to continue. If you can dedicate some time, they need help for a few hours a day, a couple days a week, a couple months a year. If you have already attended the training, but have not been active, give them a call. If you are interested but haven't talked to anyone about what is involved, give them a call. (The number is listed on the back of the newsletter.) If you are enough interested, we have a training session planned as part of the March monthly meeting. There is more about that in this issue of the *Gazette*. Let's keep G.O.C.O.P. going.

And speaking of special programs, that Programs spot is still unfilled for this year. If you would like to try to hunt up some interesting people or groups to come to the monthly meetings and tell us what they are doing and why, give me a call and we can get things started. This person also brings the cookies and drinks to the meetings, so you'll always be sure to have the kind you like best.

I have often thought that one of the things which distinguishes a community from a neighborhood is the involvement people have. If you draw out the boundaries of Garden Oaks on a city map, that defines our neighborhood.

The community of Garden Oaks lies within that boundary as well, but it is

much harder to define and represent. I know that we have more than just a neighborhood here, and I appreciate all the things that my neighbors do to make it a community. Saying hello in the morning, helping me find my lost cat, mowing a neighbor's lawn when they are away or can't do it themselves - all are part of that. And every effort, even a tiny one, which one can contribute to the Civic Club, the Home Tour, G.O. C.O.P., Garden Club, or the other activities, also will make this a better neighborhood and a more complete and inclusive community. See you at the next monthly meeting!

Editor's Note:

I survived the first issue and my first Civic Club Meeting as editor. I am trying to get the executive committee to grant a pardon to me before I get too far down the road, you never know when you might need one! Seriously, I would like to thank everyone who has taken the time to talk with me about the *Gazette*. Your interest and input is appreciated — it shows that you care about Garden Oaks.

This issue is full of examples of how people are working together in Garden Oaks to make a difference. It is also full of pleas for help. There is no doubt that G.O. C.O.P. has had a significant positive impact on our community, but this committee needs your help. There is no doubt that Recycling has made a positive impact on our community, but this committee also needs your help. People are making a difference but more people can make a bigger difference. Get involved — be proactive not reactive. G.O. C.O.P., Recycling, Garden Oaks Theater, Home Tour, Beautification, Community Garden, Plant Co-op, Garden Club, and the *Gazette* are all available for you to get involved. Get active and make a difference. Garden Oaks is what you make it.

Fiesta For G.O. C.O.P.

The Fiesta Party was a fun evening for all who came (the count was close to 85). We started with chips and red sauce, then Mexican stew, rice, and beans, and last, but not least, ice cream and cookies. The food was great and the meal was cheap (inexpensive). Sorry for those who could not make it, and thank you to those who did! We made \$220.00, less \$50.00 expense for the facilities, netting \$170.00 profit! The monies have been turned over to the Civic Club Treasurer. Special thanks to the Marek family. Kathy and Paul donated \$50.00 toward the program expenses.

And thank you very much to the Murphy family: Johnny, Cindy, Matt, and Michael for their joint effort; the Mehrkam family: Lucille, Woody, Jerry Clepper, Tom and Trish; Patsy Gantz; Bill Chastain; and Linda Ross. Linda and Trish did

the shopping at Fiesta and along with the rest of the bunch cooked, cleaned, and served.

Thank you very much to all patrollers, base station operators, and Area Leaders for the gift certificate to Pappas restaurants given in appreciation for coordinating for the past 2 years. Tom and I will enjoy a big feast on you!!!! Good luck to Bill Chastain, the new G.O. C.O.P. Coordinator! I wish you many patrollers and much participation from the neighborhood. We are with you, Bill!
