<sup>1</sup> Walker & Patterson was employed by the Debtor prior to conversion to 7, filed a fee application for work performed in the chapter 11 as Debtor's Counsel, and was awarded fees (\$72,460.00) and expenses (\$114.00) by order entered on November 8, 2020 (Docket #222).

Walker & Patterson, P.C. (“W&P”) files this *First and Final Application for Allowance of Compensation* (the “Application”). W&P served as Special Counsel to the Chapter 7 Trustee pursuant to this Court’s Order entered September 16, 2019 (Docket #151).

### **Overview**

1. The Trustee employed W&P pursuant to 11 U.S.C. § 328(a) under a hourly rate plus out-of-pocket expense reimbursement arrangement to investigate and prosecute claim objections and related litigation.
2. Pursuant to the fee arrangement with the Trustee, W&P is entitled to \$32,175.00 plus their expenses. Accordingly, W&P requests the award of compensation in the amount of \$32,175.00 plus total expenses of \$960.35, for a total award of \$33,135.35.

### **Background**

1. The Debtor originally filed a chapter on April 11, 2018.
2. The Debtor was unable to confirm a plan, and the case was converted to a chapter 7 on June 6, 2019. Randy Williams was appointed Chapter 7 Trustee.
3. Prepetition, the Debtor operated as a homeowners association, with volunteer officers and directors.
4. At conversion, the Debtor’s sole asset was cash (\$639,379.38), with approximately 450 proofs of claim being filed, totaling approximately \$1.7 million.
5. The Trustee filed its application to employ W&P on August 26, 2019 [Docket No. 147]. The Court authorized W&P’s employment by Order entered September 16, 2019 [Docket No. 151]. A copy of the Order is attached as **Exhibit 1**.
6. Trustee employed W&P to review the claims, and object as necessary.
7. After all objections, allowed claims now total less than \$200,000.00.

### **Retainer and Prior Requests for Allowance of Compensation**

3. W&P received no retainer for its work as special counsel.

### **Staffing Policy**

4. In bankruptcy-related litigation matters, W&P typically assigns one attorney who possesses the requisite experience and ability to be primarily responsible for the representation. The primarily responsible attorney will involve other professionals when additional support in a case is necessary. Johnie Patterson is the attorney for W&P responsible for representing the Trustee in this case and has provided the legal services rendered by W&P in this case.

### **Amount of Fees and Expenses Requested**

5. Pursuant to the fee agreement approved by the Court, W&P seeks compensation of \$32,175.00. This amount can be broken down by professional as follows:

Johnie Patterson (atty)	71.50 @ \$450.00	\$32,175.00
-------------------------	------------------	-------------

6. W&P incurred the following expenses in connection with its representation of the Trustee:

#### **Expense Amount**

Copies – (in-house) 3,633@\$0.20 = \$726.60

Postage - \$233.75

**TOTAL \$960.35**

7. All of W&P's expenditures were actual and necessary costs incident to the performance of professional services for the Trustee and the estate. These amounts are recoverable under the approved fee agreement with the Trustee.
8. All of the professional services provided by W&P were for and on behalf of the Trustee and the estate.
9. W&P has not promised, either directly or indirectly, to share any awarded compensation with any other person, nor does W&P have any agreement for payment of attorney's fees and expenses except as stated herein.

## **Accomplishments**

10. W&P was hired as special counsel to specifically review proofs of claim and address any related litigation.
11. There were a total of 458 claims filed – 9 claims filed in 6:18-bk-60018 and 449 claims filed in 4:18-bk-60018. The filed claims totaled more than \$1.7 million.
12. W&P requested and obtained permission to utilize omnibus claim objections to address the multitude of claims.
13. After all filed claims were addressed, there remain 41 allowed claims totaling less than \$170,000.00, allowing for a full recovery for unsecured claims.

## **Factors Supporting Allowance of Compensation**

14. Section 330(a)(3)(A) of the Bankruptcy Code sets forth the criteria for the evaluation of professional fees. Prior to enactment of § 330(a)(3)(A), *In re First Colonial Corp. of America*, 544 F.2d 1291 (5th Cir.), *cert. denied*, 431 U.S. 904 (1977) was the controlling authority that Courts within the Fifth Circuit relied upon in evaluating requests for payment of professional fees. The § 330(a)(3)(A) factors are subsumed within the *First Colonial* factors. The following factors support the reasonableness of the requested fees and expenses:

- a. **Time and labor required.** Pursuant to the Court's Order, the services for which compensation are sought are reasonable and were necessary for the representation of the Trustee. W&P's time records are attached as Exhibit 2.
- b. **The size of the fee is commensurate with the novelty and difficulty of the questions presented in the case.** The Trustee employed W&P on an hourly basis. The filed claims were numerous, however the

allowance and disallowance did not present questions which were either novel or difficult.

- c. **The skill requisite to perform the legal services properly.** W&P is an experienced law firm in the area of complex bankruptcy litigation and bankruptcy law. The experience and skill of W&P allowed the claims analysis and prosecution to be performed in an efficient and economical fashion.
- d. **Preclusion of other employment due to the acceptance of this case.** W&P was not required to decline other representation due to its representation of the Trustee in this case.
- e. **The customary fee.** The rates approved in this case are similar or lower to rates in Houston, Texas.
- f. **Whether the fee is fixed or contingent.** Bankruptcy representation is contingent by its nature. Despite the uncertainty associated with the bankruptcy representation, W&P did not hesitate to provide its expertise in this case. This willingness of W&P to incur a substantial financial risk to represent the Trustee and to potentially enhance the return to creditors of the estate also supports the requested compensation in this case.
- g. **The amount of time involved and the results obtained.** The ability of W&P to analyze the prepetition business of the Debtor, to organize and analyze the filed claims and to prosecute the objections resulted in a savings to the estate. The limited representation was handled in a prudent and cost-effective manner. The requested compensation is reasonable.
- h. **The experience, reputation and ability of the professionals who performed virtually all of the services in the case.** The attorney performing the legal services in this case on behalf of W&P was Johnie

Patterson. Mr. Patterson has practiced bankruptcy law for over 25 years. He is board certified in consumer bankruptcy law by the State Bar of Texas and has tried contested matters and adversary proceedings in all four federal districts in Texas. In addition, Mr. Patterson has successfully argued bankruptcy appeals before the District Courts of Texas and the Fifth Circuit Court of Appeals. Since becoming an attorney, Mr. Patterson has specialized in bankruptcy reorganization matters, complex business litigation and general bankruptcy law. Mr. Patterson is member of the State Bar of Texas, and is admitted to practice before the United States District Court for the Southern district of Texas.

- i. **The undesirability of the cases.** This case was not undesirable.
- j. **Awards in similar cases.** The compensation requested in this case is comparable to compensation allowed in other cases of the size and complexity of this case.
- k. **Disbursements.** W&P disbursed the sums set forth above for actual and necessary expenses incurred in the rendition of professional services during this case. The following describes W&P's policy regarding charging of expenses:
  - i. Billing rates do not include components for copying and other extraordinary charges that may be incurred by particular clients;
  - ii. Photocopies made on premises were charged at twenty cents per page in accordance with guidelines promulgated in the Southern District of Texas. Larger copying jobs are performed by an outside copying service at cheaper rates, with no markup.

## **Conclusion**

The requested fee is both reasonable and appropriate in this case. The expenses incurred by W&P were actual and necessary to the representation. By any

reasonable measure, the services provided by W&P have benefited the estate. Accordingly, W&P requests that the Court approve final compensation and reimbursement of expenses as set forth above; and such other and further relief as is just.

The Court has considered the Trustee's Application to Employ Special Counsel by the Chapter 7 Trustee (the "Application"). In approving the employment of Walker & Patterson, P.C. ("W&P") as Special Counsel for the Chapter 7 Trustee, the Court makes the following findings of fact and conclusions of law:

1. Employment of W&P is in the best interest of the estate.
2. W&P does not hold or represent any interest that is adverse to the Debtor, Trustee or the estate.
3. As required by FED. R. BANKR. P. 2014(a), the Trustee has demonstrated the necessity for employing W&P.
4. As required by FED. R. BANKR. P. 2014(a), the Trustee has identified the name of the attorney it wishes to hire.
5. As required by FED. R. BANKR. P. 2014(a), the Trustee has specified reasons for selecting W&P.
6. As required by FED. R. BANKR. P. 2014(a), the Trustee has specified the specific professional services which it anticipates W&P will provide.
7. As required by FED. R. BANKR. P. 2014(a), the Trustee has specified the fee arrangement proposed by W&P.

8. As required by FED. R. BANKR. P. 2014(a), W&P has no connections with the creditors or any other party in interest that would bar employment; however, W&P served as counsel to the Debtor during the chapter 11.
9. The employment of W&P is in the best interest of the estate.

It is therefore
