The owner of any lot or lots affected shall have the right either to prevent a breach of any such restriction, covenant or condition or to enforce performance of same.

Mineral Reservation:

There is expressly reserved to the Company, only, and unto its successors and assigns, one thirty-second (1/32nd) of the oil, gas and other mineral produced and saved from the property embraced in said Subdivision, payment for which shall be made as a perpetual/royalty interest, free of all cost and expense. The Company, its successors or assigns, shall never be required to join in the execution of any oil, gas or mineral lease covering said property and shall not be entitled to participate in any bonuses or rentals provided for in any such lease. The purchaser, his heirs, legal representatives or assigns, shall have the exclusive right to lease said land for oil, gas and mineral development, provided that any such lease hereafter executed shall nevertheless be subject to the royalty interest herein reserved. Maintenance Fund: A sum equivalent to forty cents (40¢) per lineal foot based upon the front footage of each lot shall be added to the sales price of each lot when sold, and when collected from purchasers either out of the cash consideration, or as a part of the deferred purchase consideration, shall be set aside as a maintenance fund and held by Garden Oaks Co. and used for the purposes hereinafter provided. An accounting of such funds shall be made during January of each year for the preceding year, commencing in January, 1944, and a statement of receipts and disbursements of this fund shall be posted in the office of the Company or upon some prominent location upon the property in said Subdivision. In case such deferred payments are made in installments, the Company shall set aside a proportionate part of all installment payments received for the payment of any lot, on a pro-rata basis of the cost of the lot and the amount of the maintenance fund including in the sale price of same. The maintenance fund so created shall be used for the purpose of maintaining streets, utilities, or for the installation of same, and for such other general purposes as are considered in the interest of and for the general welfare of the property owners of said Subdivision as a whole. The maintenance fund may be used for such purposes in the discretion of the Company commencing January 1, 1943. The Company reserves the right to transfer said fund and the administration thereof; if and when it so desired, to three (3) individuals who shall be resident property owners in said Subdivision, such persons to constitute a Board of Trustees representing all of the owners of property in said subdivision in the administration of the maintenance fund. The trustees so appointed shall continue to act as such, subject to removal by the Company, for any act considered by it adequate, and it shall in such event have the right to appoint successor trustees for the administration of said fund. If at any time the owners of fifty-one per cent (51%) of the lots in said subdivision (one lot or homestead constituting one ownership) shall become dissatisfied with the management of this trust, they shall have the right to remove any trustee and appoint a substitute trustee, by appropriate petition bearing the signature of the property owners so acting. The petition shall describe the property owned by each petitioner (this meaning when property is owned by man or wife that either may sign but not both). The petition shall be presented to the Board of Trustees then in office, and if such trustee or trustees, whose removal is desired, does not resign and turn over to the remaining trustees any funds in his possession, upon such request, the petitioners making such request shall have the right to resort to appropriate legal action.

Such right may be exercised by the Company at any time it considers it to the best interest of the Subdivision to do so. For the general benefit of Garden Oaks, Section Five; Garden Oaks, Section Four; Garden Oaks, Section Three; Garden Oaks, Section Two; and Garden Oaks, Section One, and any other sections of Garden Oaks developed in the future, the Company or the Board of Trustees that may be created are hereby given the right to consolidate the maintenance fund collected or accrued, with all maintenance funds of other section, provided such consolidated funds would more effectively operate and maintain all sections more economically than if in separate units.

Such easements shall be for the general benefit of the Subdivision and the property owners thereof and are hereby reserved and created in favor of any and all utility companies entering into and upon said property for the purposes aforesaid, and shall extend to only the following portions of said Subdivision:
