

GO Re-Form Survey Results 8/27/2018

Here are the results of the survey. It is being provided to the neighborhood without commentary or interpretation. If a question was phrased to only allow for an either/or answer, the answer receiving the largest votes has been highlighted. Thank you to those of you responded. At the direction of the Judge in the GOMO bankruptcy case, the neighborhood will be hosting townhall meetings within the next month to further discuss the survey results and the way forward for Garden Oaks.

1. As a Garden Oaks homeowner do you wish to create a newly formed HOA to enforce deed restrictions?

309 responses

81% a) Yes

19% b) No

2. Should the HOA be under the scope of a Civic Club as an architectural, deed restriction enforcement committee or as a separate, stand-alone entity?

272 responses

50% a) Yes, create a single entity that combines the functions of a deed restriction enforcement entity and civic club.

50% b) No, create a stand-alone HOA to enforce deed restrictions and leave the Civic Club to function in its current capacity.

3. Do you believe that the deed restrictions for your section are outdated or need to be modified?

290 responses

60% a) YES

40% b) NO

4. If yes to question 3, what sections of the deed restrictions do you believe are outdated or need to be modified? (Circle all that apply)

% of total surveys submitted	Answers
17%	Enforcement Organization Structure
3%	Number of Board Positions
10%	Frequency of transfer fee
25%	Amount of Transfer fee
